Rockport Elementary School
Food Service Payment Options

Parents have four options for making payments and applying money to their child’s account.

1. As a convenience, parents may apply money to their child’s account by logging onto www.sendmoneytoschool.com. Reminder notices are sent when your child’s balance is low. You can track purchases and account balances. Payments are applied immediately.

2. Send cash or check to school with your child and have them pay at the register. **Please place cash/check in a sealed envelope with the child’s first and last name clearly printed on the outside of the envelope. Although we can accept payments during the lunch service, we encourage prepayment as it allows the children to pass through the serving line faster and gives them more time to eat their lunch.**

3. Parents and/or students may drop off payments in the cafeteria in the morning. **Do not give food service payments to your child’s teacher.** When you drop a payment off in the morning, it will be applied to the child’s account immediately.

4. Parents may mail payments directly to the Food Service Director (Deborah Nokes, Food Service Director, 24 Jerden’s Lane, Rockport MA 01966.

Parents may apply for Free and/or Reduced Meal Benefits online anytime during the school year at www.lunchapp.com. If you prefer a paper application, one will be sent to your home upon request. Please contact:
